Ms. Hazzard uses a monthly snack calendar for families to send in class snack once per month.

If students have a personal computer or device they would like to bring in to use for CLASSROOM activities, they may bring it in. Ms. Hazzard does not allow students on sites that are not educational based in the room, such as youtube as she cannot control what they see on personal devices- if you are able to lock certain things out please do so or remind your student of the rules as well. If they are caught on sites not related to classroom lesson or sites explicitly told not allowed the device will not be allowed to come back.
